To Whom It May Concern,

I am pleased to write this letter to recommend the services of Polished Maintenance, Inc.

Polished Maintenance, Inc. completed a job for us at our new facility in July 2022. They made the entire process smooth and easy. From the beginning Tammy Slate was prompt with responses and delightful to work with. Their crew started the job on the promised start date, and never wasted time by sitting around. They worked hard the entire time and completed our 22,925 square foot area in one week.

They took care of our facility and made sure to clean up once the job was completed. Overall, we at ICD Alloys and Metals are very pleased with the services of Polished Maintenance, Inc. as they were punctual, thorough, and reasonably priced.

I am pleased to recommend the services of Polished Maintenance, Inc. If you have any questions, please do not hesitate to contact me.

Kind Regards,
